

## 4<sup>th</sup> Grade Research

### Utah County Report Research Guide

What do you know about Utah and Utah's counties? For the next couple of weeks you will be able to research a Utah county and explore Utah through your classmate's projects.

#### **Requirements:**

- Notes
- Written Report (introduction, 2 paragraphs, conclusion)
- County Information Page
- Project

#### **Written Report:**

1. **Introduction-** Introduce your county- Where it is located in Utah? and add an interesting fact.
2. **Paragraph #1-** County facts- What makes your county special? How do they make money? Etc. Write a paragraph using the completed County Information Page.
3. **Paragraph #2-** A Place to Visit- Write about a place to visit in your county. What is the place's history? What are some things you can do while visiting that place? What makes it special?
4. **Conclusion-** Wrap up your report- End your report by writing about what you have learned and your feelings about the county you researched.

#### **Project:**

You will create a project and present it to your class. More information to come.

**Name:** \_\_\_\_\_
